

A modern, multi-story building with a mix of white and dark grey facades. The building features large windows and a prominent entrance area with white horizontal slats. In the foreground, there is a paved area with a pattern of light-colored bricks. A low concrete curb separates the paved area from a road. The sky is blue with scattered white clouds. A tall palm tree is visible behind the building, and several smaller palm trees are in the background. The overall scene is bright and sunny.
